### Trio Anima Mundi's 2025 Series - Trio Fantasies

continues the ensemble's acclaimed Piano Trio Archaeology rediscoveries with rare performances of beautiful music from the 19th and 20th centuries.

The three concerts are united by rare presentations of 'fantasies' by Bridge, Krenek, Verne-Bredt and Schumann. A Composer's Life presents three works written at different times of each composer's career.

The Schumann Connection highlights the wide influence Robert and Clara Schumann had during the 19th century. From Vienna With Love has at its core one of Schubert's last compositions, coupled with the rarely heard Krenek in his neo-Romantic, 'Schubertian' guise.
